### **Achtung**

Bitte notieren Sie auf der Rückseite Ihrer Gebrauchsanweisung die Serien-Nummer. Je nach Grillmodell finden Sie die Seriennummer auch auf dem Datenaufkleber, der entweder am Grillrahmen oder an der Innenseite der Tür angebracht ist. OUTDOORCHEF kann Garantie und Ersatzteillieferungen nur mit der Serien-Nummer bearbeiten. Outdoorchef AG operates a policy of continuous product development and improvement. As such we reserve the right to alter product design and or technical specification without giving any prior notice.

### **Attention**

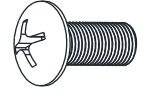

Please write your serial number on the backside of the manual for future reference. Depending on the barbecue model, you will also find the serial number on the data sticker that is either attached to the barbecue frame or the inside panel of the door. OUTDOORCHEF can only supply spare parts and honour warranty returns when the serial number is available.

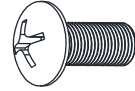

Lesen Sie die separate Bedienungsanleitung sorgfältig durch, bevor Sie Ihren OUTDOORCHEF Grill in Betrieb nehmen. Please read the separate user manual carefully before using your OUTDOORCHEF Barbeque.
